# Never Have I Ever...

## Chapter 1 by XOXkitkatXOX

Okay guys, so I was trying to think of ideas to make a new story, and I ran out. I went to a random plot generator and everything, but I was all written out. So I was thinking about the time I was playing Never Have I Ever... with my friends at school, and so now I'm gonna make a story...

It goes like this, someone says something like, "Never Have I Ever Swam With A Dolphin", then the next person would be like, "I've never done that either" or if they did, they would say "Oh, I've done that!"

But here's the twist, you can lie. You could say, "Never have I ever kissed a girl", but you really have! After you say, "I've done that", or "I've never done that!" you say, "I think that was a lie!" and then the same person could be like, "YOUR RIGHT! I DID LIE!!!"

I'm not sure if this is gonna work out, BUT JUST GO WITH IT!!!
